**Project Name:** Moses Cone Health System Regional Cancer Center Expansion

**Recipient:** Moses Cone Health System

**Recipient Address:** 1200 North Elm St.

**Recipient City:** Greensboro

**Recipient State:** NC

**Recipient Zip:** 27401

**Amount of Request:** \$1,000,000

**Explanation of the request (must include purpose and why it is a valuable use of taxpayer funds):**

This project would help to fund the construction of a Regional Cancer Center. The new center would encompass a Center for Patient and Family Support to provide easy access to financial, spiritual, and psychological services. In addition, a Breast Cancer Center dedicated to the special treatment and post-treatment needs of breast cancer patients will be located within the center. Studies indicate that one in three people is likely to face some form of cancer in his or her lifetime. The funding to construct the Regional Cancer Center would strengthen the treatment and support services received by individuals in NC and allow each patient to have better odds of beating cancer.

*In order to offer more opportunity for public scrutiny, I have posted information on each project request submitted to the Appropriations Committee at the time the request was made.*
